

COMMERCIAL MARINE LIFERAFTS
25/30, 50/65, 100/130 persons // Throw Over/Roll-Over Liferrafts
For use on all types of Commercial & High Speed Craft

Ferryman Liferrafts

An aerial, high-angle photograph of a boat deck. Numerous people are seated or standing, all wearing bright orange and yellow life jackets. The scene is slightly blurred, suggesting movement or a dynamic environment. The lighting is bright, creating strong highlights and shadows.

of **survival**
technology
survival systems

- World-wide reputation for outstanding service in the safety and survival equipment industry
- Complete range of commercial and leisure products specific to individual requirements
- Flexibility of an extensive global servicing network
- Quality management system approved to BS EN ISO 9001

Ferryman Liferrafts

RFD Ferryman

- Fully open reversible liferaft
- Rapid automatic inflation, boardable within seconds of deployment
- The optimum choice of liferaft for use on inland and coastal waters

Ancillary Equipment

RFD provides a variety of ancillary equipment for the Ferryman range including:

- Deck cradles
- Hydrostatic release units
- Radar reflectors
- EPIRBs (Emergency Positioning Indicating Radio Beacon)

Stability

- Lead weighted water pockets
- Large, anti-tangle drogue

Visibility

- Retro-reflective strips
- Lights for night detection

Durability

- Manufactured from corrosion and abrasion resistant, lightweight polyurethane (PU) coated nylon material

Emergency Packs

- Come complete with E type emergency pack (different emergency pack options are available upon request).

Stowage

- Ferryman liferafts are available in both cylindrical and flat-pack containers (130 person is available in cylindrical container only)
- Flat pack containers can be stowed either horizontally or vertically

Ferryman Specifications*

	25/30 Person	50/65 Person	100/130 Person
Inflated Size (m)	4.11	5.81	5.81 by 2 liferafts
Ave. Freeboard (fully laden) (m)	480	600	600
Emergency Pack	Type E	Type E	Type E
Cylindrical Pack Stowage Height (m)	18	18	18
Cylindrical Pack & Liferaft Weight (kg)	94	169	320
Cylindrical Container Dimensions (mm)	1260(l)x520(b)x485(h)	1635(l)x620(b)x585(h)	1750(l)x774(b)x740(h)
Flat Pack Stowage Height (m)	10	10	-
Flat Pack & Liferaft Weight (kg)	100	176	-
Flat Pack Container Dimensions (mm)	1220(l)x650(b)x330(h)	1540(l)x770(b)x370(h)	-

*All weights and dimensions are approximate and may be subject to slight variation

RFD Ferryman Liferrafts hold approvals for the following Marine Authorities:

- MCA UK
- CCG CANADA
- NMD NORWAY
- USCG UNITED STATES
- HSC MED
